SECTION 01

Packaging Design

FMCG pack artwork built as a shelf-ready flavour system.

01

PACKAGING

MOTHER INDIA · SREE FOODS

Popcorn Tub Cover — Chilli Cheese

Retail tub wrap where the flavour drives the entire colour system: chilli red bleeding into cheese gold, with the popcorn bowl holding the optical centre. Mandatory matter — ingredients, nutrition, allergen status, FSSAI licence and barcode — is set tight into a left-hand column so the shelf-facing half of the wrap stays appetising and uncluttered.

CRAFT NOTES

Flexible pack artwork · flavour-coded masthead · print-ready legal block

SANCTIFY · Vasco, Goa

PACKAGING

MOTHER INDIA · SREE FOODS

Popcorn Tub Cover — Chilli Tomato

The second SKU in the range. Only the colour field and the flavour lozenge move — sunflower yellow ground, tomato-red type, ripe tomato and chilli garnish — while masthead, bowl and legal column hold their exact positions. That discipline is what makes three separate packs read as one family from two metres away.

CRAFT NOTES

Range extension · fixed die-line · variable colour field

SANCTIFY · Vasco, Goa

PACKAGING

MOTHER INDIA · SREE FOODS

Popcorn Tub Cover — Cream Onion

The mildest flavour gets the softest field: magenta-pink with cream accents and a spoon-and-onion garnish signalling a savoury, non-spicy profile. Same grid, same typography, same barcode placement — evidence that the system can absorb a fourth or fifth flavour without redrawing the pack.

CRAFT NOTES

Third SKU · palette-only variation · scalable system

SHREE KARNI CHEMICALS

A4 Manufacturer Flyer

A trust-first leaflet for India's largest manufacturer of precipitated calcium carbonate. The full product range is shot as a single family photograph rather than isolated packs, then six benefit blocks in a two-column grid carry the argument — purity, consistency, cost, support, reliability. Corporate green anchors the page and a QR code bridges print to web.

CINDERS TAKE AWAY

Biryani Flyer — Front

The front face sells appetite before information. A full-bleed biryani hero fills the upper field, with a hand-script overlay promising the dish 'at the comfort of your home'. Address, delivery radius and a dial-now number are stacked into a single quiet block so the food is never competing with the logistics.

CRAFT NOTES

CINDERS TAKE AWAY

Biryani Price List — Reverse

The reverse is pure utility. Veg and non-veg biryanis run as parallel columns so a customer compares across, not down, and regular versus per-kilo bulk rates are split into two clearly banded blocks. One offer — a free soft drink with every kilo — sits reversed out on the fold line where the eye lands last.

AUTOMOTIVE DETAILING STUDIO

Google Business Profile Thumbnail

A map-listing thumbnail designed to survive heavy downscaling. Condensed caps in high-visibility yellow and cyan are locked over a real workshop photograph, and the service list is compressed to four words — ceramic coating, PPF, painting, repairs — so the offer still resolves at map-pin size on a phone.

CRAFT NOTES

16:9 thumbnail · legibility at small scale · location-led copy

SANCTIFY · Vasco, Goa

SOCIAL · PSU

HINDUSTAN PETROLEUM · HP GAS

Hose Expiry Safety Post

A public-safety message that needed to feel warm rather than bureaucratic. A diagonal split divides duty from delight: hazard-red cylinder, shield motif and the instruction on the blue field, a child's smile and magnifying glass on the yellow. One instruction, one interval, one call to action — nothing else competes.

CRAFT NOTES

Square post · diagonal split · single-message hierarchy

SANCTIFY · Vasco, Goa

SOCIAL · FESTIVAL

POONIA ROAD CARRIERS

Makar Sankranti Greeting

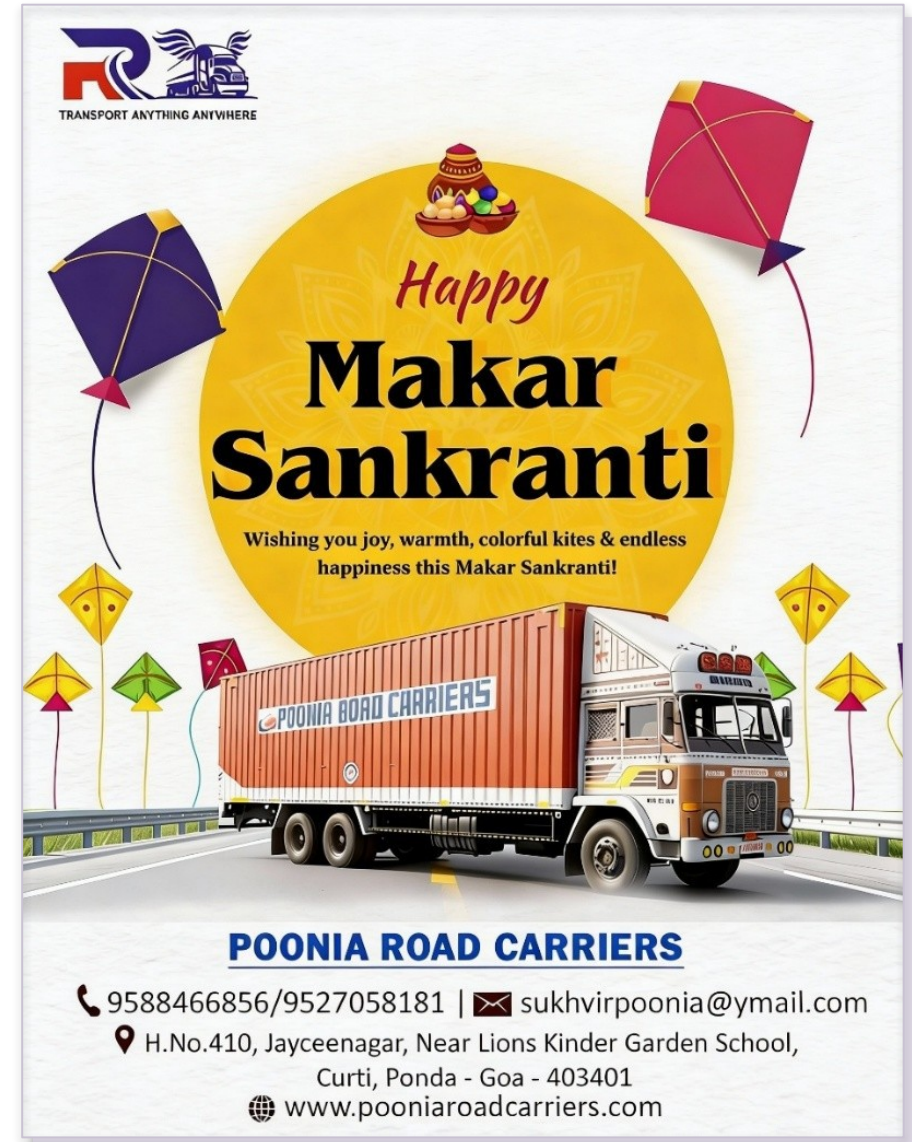

A festival greeting doing double duty as a service reminder. Paper kites and a warm sun-disc frame the wish, while a container truck grounds the brand promise of transporting anything anywhere. Contact details ride a clean white band at the base so the celebratory half stays uncluttered.

CRAFT NOTES

Portrait post · festival iconography · service proof

SANCTIFY · Vasco, Goa

SOCIAL · FESTIVAL

SANDI ENTERPRISES

Gudi Padwa Greeting

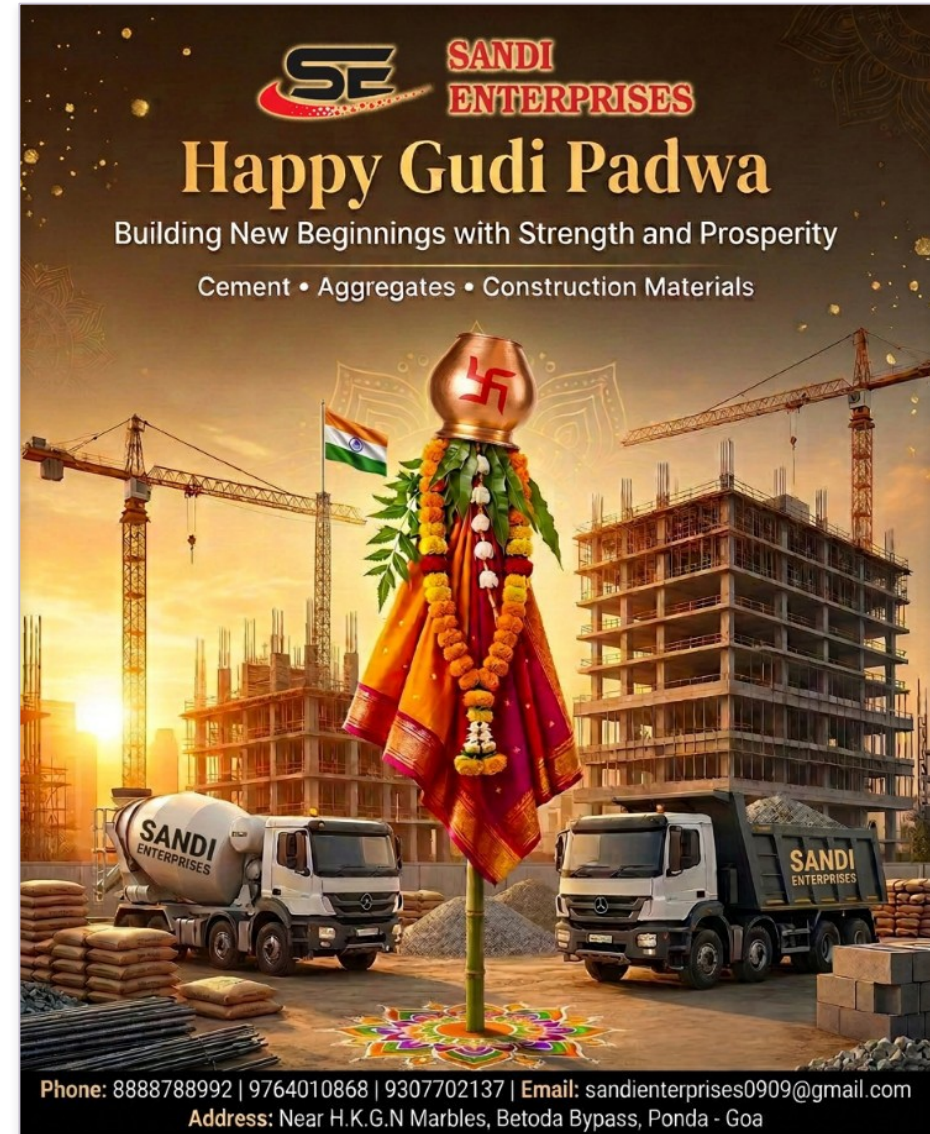

Here the greeting and the business are the same idea: 'Building New Beginnings with Strength and Prosperity'. The Gudi is raised against construction cranes at golden hour with tipper trucks entering frame, so a cement and aggregates supplier gets a festival post that still communicates what it sells.

CRAFT NOTES

SECTION 05

Political Communication

A consistent greeting series for a serving minister.

3 pieces

05

POLITICAL

MAUVIN GODINHO · BJP GOA

Teachers' Day Greeting

A Teachers' Day wish staged on a chalkboard, with slate, apple and globe props establishing the occasion instantly. The minister is cut out and lit to sit forward of the board, and the designation bar — Panchayat Minister, MLA Dabolim — is pinned bottom-left as the fixed element across the whole series.

CRAFT NOTES

Square post · staged set · locked identity bar

SANCTIFY · Vasco, Goa

POLITICAL

MAUVIN GODINHO · BJP GOA

Ganesh Chaturthi Greeting

Built vertically for feed dominance. The idol is centred and richly lit against a deep field, the blessing message runs in italic across the lower third, and the party mark holds the top corner. Different festival, identical structure — the series stays recognisable at thumbnail size.

CRAFT NOTES

Portrait post · centred focal subject · series grammar

SANCTIFY · Vasco, Goa

POLITICAL

MAUVIN GODINHO · BJP GOA

Republic Day Greeting

Republic Day reduced to three elements: a tricolour wash, the Ashoka Chakra, and a salute. Restraint is the whole design decision — date and greeting lock into the lower right so the flag is never crowded, and the same designation bar closes the frame.

CRAFT NOTES

Square post · reductive composition · national palette

RESTAURANT MENU

Biryani, Gravies & Combos

A high-density menu that still scans. A deep red ground with gold rules divides veg and non-veg biryanis, gravies, breads, thalis, desserts and combos into vertical columns, and dotted leaders carry the eye from dish to price. Photography is rationed to the right edge so it accents rather than crowds.

Beverages, Policy & Location Panel

The service panel of the menu. Beverages are priced in a tight table, operating policies become single icon lines instead of paragraphs, and the address is replaced with a drawn location map — faster for a customer than any written direction. A dish strip keeps the utility appetising.

PROTASTE GRILL

Dum Biryani Menu

Charcoal-grill character built from wood grain, stencil marks and grill icons. Sandwiches, Rolls & Beverages
