PACKAGING

Popcorn Tub Cover — Chilli Cheese

MOTHER INDIA · SREE FOODS

Retail tub wrap where the flavour drives the whole colour system: chilli red bleeding into cheese gold, the popcorn bowl holding the optical centre. Mandatory matter — ingredients, nutrition, allergens, FSSAI licence, barcode — is set tight into a left column so the shelf-facing half stays appetising.

PACKAGING

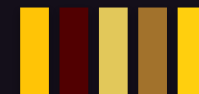

Popcorn Tub Cover — Chilli Tomato

MOTHER INDIA · SREE FOODS

The second SKU. Only the colour field and flavour lozenge move — sunflower ground, tomato-red type, chilli and tomato garnish — while masthead, bowl and legal column hold their exact positions. That discipline is what makes three packs read as one family from two metres away.

PACKAGING

Popcorn Tub Cover — Cream Onion

MOTHER INDIA · SREE FOODS

The mildest flavour takes the softest field: magenta-pink with cream accents and a spoon-and-onion garnish signalling savoury, not spicy. Same die-line, same typography, same barcode position — the system can absorb a fourth flavour without redrawing the pack.

A4 Manufacturer Flyer

SHREE KARNI CHEMICALS

A trust-first leaflet for India's largest manufacturer of precipitated calcium carbonate. The range is shot as one family photograph rather than isolated packs, then six benefit blocks in a two-column grid carry the argument. Corporate green anchors the page; a QR code bridges print to web.

Biryani Flyer — Front

CINDERS TAKE AWAY

The front face sells appetite before information. A full-bleed biryani hero fills the upper field with a hand-script overlay promising the dish at home. Address, delivery radius and a dial-now number are stacked into one quiet block so the food never competes with logistics.

Biryani Price List — Reverse

CINDERS TAKE AWAY

The reverse is pure utility. Veg and non-veg run as parallel columns so the customer compares across rather than down, and regular versus per-kilo bulk rates split into two banded blocks. One offer sits reversed out on the fold line, where the eye lands last.

SUNGMI INDIA PVT. LTD.

An interior spread split between persuasion and proof. Five advantages are numbered 01–05 for fast scanning down the left page; the facing column carries spline-system construction drawings and a full specification table. The timber palette is sampled from the product itself.

Google Business Profile Thumbnail

AUTOMOTIVE DETAILING STUDIO

A map-listing thumbnail engineered to survive heavy downscaling. Condensed caps in high-visibility yellow and cyan lock over a real workshop photograph, and the service list is compressed to four words so the offer still resolves at map-pin size on a phone.

FORMAT

Landscape · 546×305px · 0.2MP

10 / 19

SOCIAL · PSU

Hose Expiry Safety Post

HINDUSTAN PETROLEUM · HP GAS

A public-safety message that had to feel warm, not bureaucratic. A diagonal split divides duty from delight: hazard-red cylinder and shield on the blue field, a child's smile on the yellow. One instruction, one interval, one call to action — nothing else competes.

FORMAT

Square · 990×1089px · 1.1MP

SOCIAL · FESTIVAL

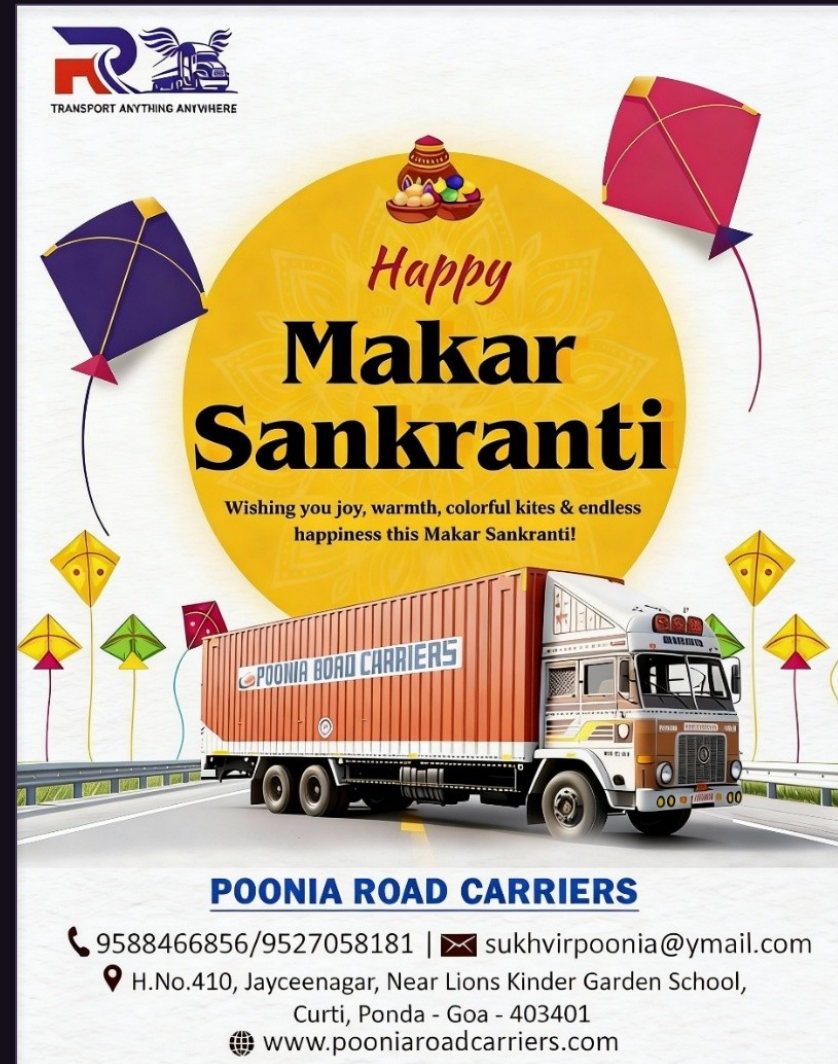

Makar Sankranti Greeting

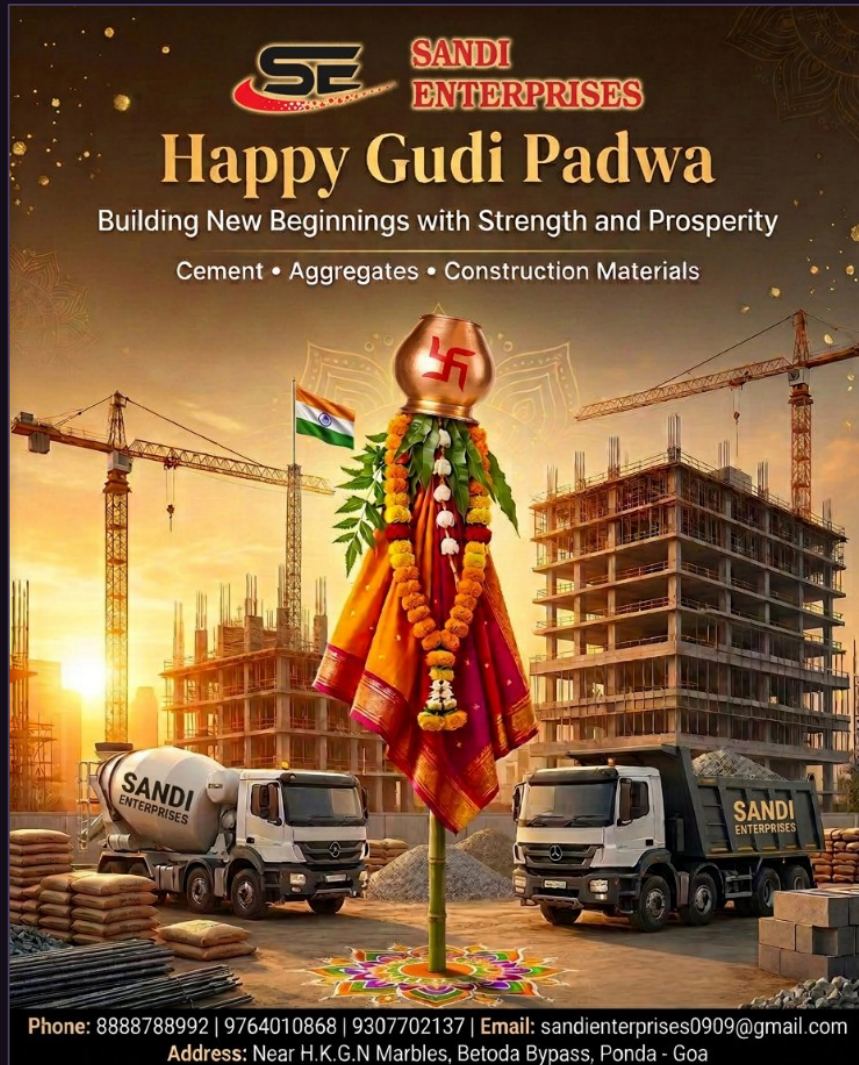

POONIA ROAD CARRIERS

A festival greeting doing double duty as a service reminder. Paper kites and a warm sun-disc frame the wish while a container truck grounds the promise of transporting anything anywhere. Contact details ride a clean white band so the celebratory half stays uncluttered.

SOCIAL • FESTIVAL

Gudi Padwa Greeting

SANDI ENTERPRISES

Here the greeting and the business are the same idea — building new beginnings. The Gudi is raised against construction cranes at golden hour with tipper trucks entering frame, so a cement and aggregates supplier gets a festival post that still says what it sells.

SECTION 05

Political Communication

A consistent greeting series for a serving minister.

Teachers' Day Greeting

MAUVIN GODINHO · BJP GOA

Staged on a chalkboard, with slate, apple and globe props establishing the occasion instantly. The minister is cut out and lit to sit forward of the board, and the designation bar is pinned bottom-left as the fixed element across the whole series.

14 / 19

POLITICAL

Ganesh Chaturthi Greeting

MAUVIN GODINHO · BJP GOA

Built vertically for feed dominance. The idol is centred and richly lit against a deep field, the blessing runs in italic across the lower third, and the party mark holds the top corner.

Different festival, identical structure — the series stays recognisable at thumbnail size.

FORMAT

Portrait · 597×745px · 0.4MP

15 / 19

POLITICAL

Republic Day Greeting

MAUVIN GODINHO · BJP GOA

Reduced to three elements: a tricolour wash, the Ashoka Chakra, and a salute. Restraint is the entire design decision — date and greeting lock into the lower right so the flag is never crowded, and the same designation bar closes the frame.

Biryani, Gravies & Combos

RESTAURANT MENU

A high-density menu that still scans. A deep red ground with gold rules divides veg and non-veg biryanis, gravies, breads, thalis and combos into vertical columns, and dotted leaders carry the eye from dish to price. Photography is rationed to one edge so it accents rather than crowds.

CINDERS TAKE AWAY

The service panel. Beverages are priced in a tight table, operating policies become single icon lines instead of paragraphs, and the address is replaced with a drawn location map — faster for a customer than any written direction. A dish strip keeps the utility appetising.

Dum Biryani Menu

PROTASTE GRILL

Charcoal-grill character built from wood grain, stencil marks and grill icons. Dum biryani listings sit above a full-width photographic strip that acts as a horizon line for the sheet, and a self-service note sets expectations before the customer reaches the counter.
